

Certificate of Accreditation

Amendment 5

Name of product: NuClad Exterior Insulation and Finishing System

Product description: Wall Cladding System

Description of the purpose and use of the building product: Suitable for use in Class 1 and Class 10 buildings

Regulation/s in relation to which the building product is accredited: The Building Regulations Advisory Committee appointed under Division 4 of Part 12 of the Building Act 1993 has examined the application and determined that NuClad Exterior Insulation and Finishing System complies with:
Performance Requirements H1P1 and H2P2 of the National Construction Code Series, Volume Two, Building Code of Australia 2022 as adopted by the Building Regulations as in force from time to time, to the extent that those Clauses refer to the structural stability, resistance to wind action and rainwater action, and weatherproofing of the product subject to the following conditions:

Conditions to which the accreditation is subject:

1. This accreditation applies in the State of Victoria and is limited to -
 - a) Class 1 and 10 buildings;
 - b) Installation height up to a maximum of 6m to the underside of eaves and 8.5m to the highest point of the roof, excluding chimneys;
 - c) Installation width of the building including roofed verandas, but excluding eaves, up to a maximum of 16m;
 - d) Installation height of the building up to a maximum of five times the building width;
 - e) Buildings with a maximum roof pitch of 35 degrees; and
 - f) Buildings built in Region A, non-cyclonic winds classes N1 - N2 as per Australian Standard AS 4055 (2021).
2. Product must be installed, including rendering, in accordance with the NuCLAD EIFS Technical Manual (document number TM001, Version No. V05 revised February 2025 as provided by Nutex Coatings).
3. Where a pliable building membrane is installed to an external wall, it must comply with AS/NZS 4200.1 (2017) and be installed in accordance with AS 4200.2 (2017).

This accreditation does not apply to any other provisions of the National Construction Code Series.
