

# Technical Referee Report

## Domestic Builder (Unlimited)

**This report must be completed by the referee and accompanies the Domestic Builder (Unlimited) application form.**

To be a referee you should be a registered Domestic Builder (Unlimited). You must have directly supervised the applicant carrying out the work listed in the reference.

Use this form to tell us about domestic building work that the applicant carried out under your supervision.

The BPC uses your referee report to help determine whether an applicant should be registered as a building practitioner. We may contact you to confirm the information in this reference.

## Part A: About you (the technical referee)

**Title:\***

Mr     Mrs     Ms     Miss     Other

\* Information you must supply

First name\*

Middle name

Surname\*

Date of birth\*

Email\*

Contact number\*

Building practitioner registration number

If you are not a registered building practitioner, were you the applicant's:

Site supervisor     Construction manager

## Part B: Employer details

Name of the company, which employed the applicant during the period of supervision\*

ABN\*

Street no. and name\*

Suburb\*

State\*

Postcode\*

Business email\*

Business telephone\*

## Part C: Applicant details (for whom you are providing this report)

First name\*

Surname\*

## Part D: Supervised building experience (for up to three projects)

Please complete the details for each of the applicant's building project experience that you supervised.

Project site address	Applicant's position/title (Project manager, Supervisor, Subcontractor, or other)	Dates worked From and To (mm/yyyy)
<b>Project 1</b>		
123 Alphabet St. Melbourne Vic 3000	Supervisor	06/2019 - 09/2019
<b>Project 2</b>		
<b>Project 3</b>		

## Part E: Experience

Explanation of terms:

- **Assisted** is when the applicant has assisted a competent and qualified practitioner in the carrying out of a particular component of building work.
- **Carried out** is the actual hands on carrying out of a particular component of building work and includes when the applicant was solely responsible for that component of building work.
- **Managed** is when the applicant has managed the carrying out of a particular component of building work. In this case they were not involved in the actual carrying out of that component other than engaging a competent practitioner to do so, however they were responsible for the quality and compliance of that component of work.

Components of building work	Project 1		Project 2		Project 3	
	Assisted	Managed	Assisted	Managed	Assisted	Managed
<b>1. Manage regulatory and legal requirements for domestic building work</b>						
Obtained and reviewed the building permit and required approvals from relevant authorities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Preparation of contractual documents for the project.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Managed and administered the building contract, including progress payments, variations, extension of time and dispute resolution if required.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>2. Supervise and oversee domestic building work from design to completion</b>						
Preparation of financial documentation, including building quotations or cost estimates for client(s).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Application of business financial management practices and management of financial risks, including preparing or obtaining bill of quantities or take-offs for the project.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Interpretation of project documentation prior to commencement of works, including architectural drawings, engineering, specifications, etc.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Documentation of protection works requirements and ensured protection works were carried out onsite.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Production of a schedule of works or a construction timeline to meet or inform contractual requirements.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Engagement with client(s) regarding contractual issues throughout the lifecycle of the construction contract.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Components of building work	Project 1		Project 2		Project 3	
	Assisted	Managed	Assisted	Managed	Assisted	Managed
<b>2. Supervise and oversee domestic building work from design to completion <i>continued</i></b>						
Supervision of tradespeople and/or subcontractors throughout the construction phase.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Engagement with relevant stakeholders regarding onsite issues and resolving these issues, throughout the construction phase.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Responsibility for quality assurance with the identification and resolution of onsite issues.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Engagement with suppliers to coordinate required materials throughout the construction phase.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Responsibility for the implementation and monitoring of OHS requirements on site.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Completion of the building handover process in accordance with contractual requirements and obtained relevant approvals on completion of works.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Assisted	Carried out	Managed	Assisted	Carried out	Managed
<b>3. Broad practical experience across all stages of construction</b>						
Demolition work – including safety requirements, decommissioning of services, identification of hazardous materials, and/or appropriate waste disposal.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
*Site preparation – including complying with municipal requirements, site establishment, site amenities, service connections, earth works, and/or drainage.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
*Footings and slabs – including raft slabs, waffle slabs, suspended slabs, post-tension slabs and/or strip footings .	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
*Walls, roofs and intermediate floors – including sub floor framing, wall framing, roof framing (as well as tilt panel erection, cast in situ, precast concrete, and/or structural steel for class 2 buildings over three storeys).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Masonry – including masonry veneer, cavity masonry, single leaf masonry, and/or isolated piers.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
External lightweight cladding, windows and doors – including roof cladding, wall cladding, eaves linings, guttering, weatherproofing, external waterproofing, stormwater drainage, external doors, and/or windows.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Components of building work	Project 1			Project 2			Project 3		
	Assisted	Carried out	Managed	Assisted	Carried out	Managed	Assisted	Carried out	Managed
<b>3. Broad practical experience across all stages of construction <i>continued</i></b>									
Internal works – including insulation, internal linings, waterproofing, internal doors, wall tiling, cabinetry, floor coverings, and supervising electrical and/or plumbing works.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
External works – including commissioning of services, fencing, external concreting, structural landscaping, retaining walls, decks, and/or swimming pools	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Deep excavation and basement construction – including staged excavation, stabilisation systems, soil retention systems, lift pits, dewatering, basement waterproofing.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Essential safety measures – including all parts listed within schedule 8 of the Building Regulations 2018.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

## Part F: Referee declaration

It is an offence under section 246 of the Building Act 1993 to give false or misleading information in relation to an application for registration. This offence carries a maximum penalty of 120 penalty units, equal to approximately \$24,000.

By signing this, I declare that:

- the information contained in this application, including attachments, is true and correct.
- I have read and understood how the BPC manages my personal information and the [BPCs Privacy Collection notice](#), as stipulated on the final page of this document.

## Privacy Collection Notice

### How the BPC uses and discloses your personal information.

The Building and Plumbing Commission (BPC) is collecting your personal information (including any images or photographs and any and all details provided in this form), to process your application. If you do not provide all or any part of the information requested in this form, the BPC may be unable to process and subsequently grant your application.

The BPC may also use such information for the following purposes:

- (a) To enable the BPC to meet its statutory obligations, functions and perform its operational requirements.
- (b) Researching and assessing the merit and impact of proposed regulatory reforms and to assist in the development and delivery of services by the BPC (whether to you personally or a member of the public).
- (c) Law enforcement by the BPC or other regulatory bodies, including prosecutions or disciplinary action against you if required.
- (d) Maintaining disciplinary and licensing and registration registers for building and plumbing practitioners (published on the BPC's website).
- (e) Such other purposes as required by law or authorised under the privacy legislation.

The BPC may also share your personal information with third parties including, but not limited to, different business units within the BPC, the Building Appeals Board, Consumer Affairs Victoria, our insurer, other regulators (both in Victoria and interstate), and the BPC's staff and/or service providers who need to know such information to perform services for the BPC.

The BPC will only disclose your personal information to a third party claiming to act on your behalf (for example, your solicitor or interpreter) with your prior written consent. You can request access to the personal information which the BPC holds about you. If you become aware that personal information the BPC holds about you is not accurate, complete or up to date, you can ask the BPC to correct it.

By providing information to the BPC using this form, you are deemed to have acknowledged and consented to the BPC using and disclosing your personal information as set out in this Statement.

The BPC's full Privacy Policy and information about how to contact the BPC is available at [www.bpc.vic.gov.au/privacy](http://www.bpc.vic.gov.au/privacy).
